

S O U T H E A S T E R N D X C L U B

Meeting Notice:

DATE: Monday, January 16, 1978

TIME: 7:30 P.M.

PLACE: PHIPPS PLAZA Shopping Center (Across Peachtree St. from Lenox Square) - Community Room, Blue Parking Level.

PROGRAM: Carl, WB4ZNH, will show slides and give a talk on his DX-pedition to CR9/MACAO. ALSO - plans for the year will be discussed and the yearly computer listing will be handed out and explained.

It is very important that you come to the January meeting to get your computer listing and to insure that everyone understands how our DX alert system works. We have a lot of new members this year - it should be a great year for DX-ing, helping out fellow members, etc.

Future issues of this newsletter will be BIGGER and BETTER. I doubt if we will rival the West Coast DX Bulletin for a while, but who knows . . . Space will be made available for editorials each month, so here's a chance to unload on all of your fellow members . . . get copy (typewritten, no more than 1/2 page, no slams at particular people) to me no later than 2 weeks before meeting date. There will also be an "I-want-to-sell & I-want-to-buy" section for all you hoss traders.

For those of you who may be interested in paying a small price for a good, convenient source of QSL Manager information, send \$1.00 and a large envelope with 24¢ postage to Gary Yarus, WB4MSZ, 921 North Clay, St. Louis, Mo. 63122, for an 8-page (average) computer printout jam-packed with information. The list is updated weekly, so you can be sure the list you order has all the latest goodies.

SE DX Club QSL cards are still available at \$10.50 per 500, but that price will not last forever. Order your cards NOW, before it's too late. Money and info to K4JRB at the meeting or by mail.

There is still some confusion about whether K5CO/5A cards will count for DXCC. Scotty has proved that he was in Libya, but he needs to show proof that he had a license. Dave, WA4SSU, is keeping in touch with W3AZD at the ARRL DXCC Desk on this one. PY0ZAE cards continue to be received. 9U5CA cards may or may not count. 5N2 QSO's since 4/1/77 won't count (except for 5N2NAS) - Nigeria has suspended amateur operation except for 5N2NAS, a military club station. The "hold in DXCC acceptance of new countries is only a hold and should not be interpreted as meaning that DXCC is frozen and no new countries will be added until 1979. It does mean that current new country proposals are being re-reviewed, but it is likely that some - ST0/Southern Sudan, for example, will

be found to pose no diplomatic problems and will join the DXCC country roster soon.

FHØBKZ showed up from Mayotte with a good signal. It remains to be seen where Jacky, F6BEJ, will show up next. All of Jacky's operations QSL direct to Jacky Billaud, 11 Rue R. Champenier, 58000 Nevers, FRANCE.

4S7JD keeps a regular weekend sked with a WA1, 14225, 1200Z or thereabouts. One problem - the WA1 is not at all concerned with other Stateside stations working 4S7. Good luck.

Clipperton? West Coast DX Bulletin advises of a possible DX-pedition to Clipperton in March/April. Apparently, no permission from the French government yet - the group rumored to be interested in the trip is from San Antonio, TX; they are trying to drum up scientists to go with them to help them get support from Paris. A notice was recently posted on the bulletin board at the Scripps Institute of Oceanography at La Jolla, Calif. soliciting scientific interest.

TIDBITS: Kure Island - KH6FJI etc. beginning Jan. 26; Fernando de Noronha - PY1RO in Jan., PY7APS in April; Montserrat - W8's going on ARRL DX Contest. ARRL DX PHONE Contest first outing: Feb. 4-5. ARRL DX CW Contest first outing: February 18-19. CQ 160 Contest: Jan. 27-29. 8Z4: Sometime late Feb., opr. by JY5US et al.

W4GTS wants to borrow any type of transceiver for about two weeks while his gear is out for repairs. Call Phil at 973-2185 if you can help.

AWARDS: At the annual SE DX Club "Shrimpfest" the following awards were presented: Monthly Awards - MAR K4SB; APR K4JRB; MAY N4RJ; JUN K4PI; JUL N4OL; AUG W4MWT; SEPT K4BAM.....2nd Place Overall: W4LVM; 1st Place Overall: N4NX. Helping Hand awards (for assisting other members in working new countries) were presented to K4PI, K4SB, W4LVM, N4RJ, N4NX, and the overall winner was K4SMX. Stew, K4SMX, was named SE DX Club Man of the Year, and Chaz, W4GKF was presented a lifetime membership.

SE DX Club name badges are available for \$2.00 each. Badges have a hole for mounting DXCC pin. Send Name, Call, \$2.00 to K4JRB.

Next month, a price list/order form for freshly gummed stamps from DX countries will be enclosed with the newsletter. Just in case you are not a stamp collector, DX stamps can be used for stamping self-addressed envelopes, and are significantly cheaper than IRC's. In case you can't wait, the address for a price list/order form is DX Stamp Service, G. N. Robertson - W2AZX, 83 Roder Pkwy., Ontario, N.Y. 14519.

EDITORIAL: Before you climb onto a gargantuan pileup just to see if the rig is getting out, please stop to think about the poor deserving DX'ers at the bottom of the pileup. If you don't need the country, leave it to those who do. This is particularly important these days when pileups are so huge, tempers so short, and DX stations are only taking 2 or 3 per call area! de AA4DR.

Chaz, W4GKF, has a weekly sked with KC4AAA. Fridays, 2300 EST (0400Z) 14325.

Officers for this year: Pres. W4LVM, VP WA4PYF, Sec. AA4DR, Treas. K4JRB, Act. Mgr. K4SMX.

73.

AA4DR

PS--If you want to subscribe to the West Coast DX Bulletin, send \$14/yr +o 77 Coleman Dr., San Rafael, CA 94901.
