*** CLUB CONTESTS ***

The March club contest is the CQ WPX SSB. The rules for this contest may be found in January CQ Magazine page 74. Remember that you do not have to submit your score to CQ to be eligible for participation in the club contest. See the rules for club contests listed in the back of your club roster.

Please notice the April contest is the SP Contest. This contest is divided into two parts-SSB & CW. Only one score will count for club participation. You may select either part. From past experience the CW portion provides the most activity; however, the SSB part may be the easier to win a certificate from Poland. This contest marks their 50th anniversary and the awards should be very nice.

CW part- April 5-6 1500Z Sat - 2400Z Sun

SSB part- April 19-20 1500Z Sat - 2400Z Sun

You will send Sig Rpt + 3 digit serial No.

You will receive Sig Rpt + 2 character Province.

The 49 provinces are the multipliers. Universal log sheets will be available at the meeting. For convenience please send your duped logs with summary sheet to W4LVM who will mail them to Poland. For additional info contact Wayne W4LVM.

*** 1980 BUDGET ***

In January 1980, the Executive Committee of the club analyzed the financial requirements of the club for 1980. In accordance with club By-Law II-B the budget is enclosed for review by the membership and will be voted on at the March meeting.
