DAYTON HAMVENTION (de K4PI)

A GOOD TIME WAS HAD BY ALL!!!!!!!!!!!!!! As usual everything was overcrowded. The weather was poor on Friday (rain, mud, cold, etc.). Saturday was brisk but nice. The hospitality suite was a great success!! Many thanks to all who helped out.

We saw many old friends. One in particular was Masa, JA3ODC, who was the "JA MACHINE" at VP2KC in 1979. Also, Bob, W3BTX, and wife Sandy met with us (They were also at VP2KC).

Bill, N4NX, suggested that we have a 10th anniversary for VP2KC. Masa and Bob said they would come back. So save your pennies for a 1989trip to VP2K-. Details will be worked out later. WE DON'T EXPECT TO BREAK THE OLD RECORD BUT WE HOPE FOR SOME FUN!!!

There was a tape made up and played as a "SSB pile-up contest" for all hospitality suite visitors. We'll have to run this at a meeting. The tape was made by N4RJ, N4NX, W8ZF, and K5UR.

Members seen at Dayton were KC4I, N4NX, N4RJ, W8ZF, KN4B, WA4VDE, KN4KWD, K4TEA, KC4GR, and K4PI.
