DX Ragchew 147.470, .540S, .795T/.195R

Meeting Date: Saturday, June 15, 1985

Time: 2:00 PM (Local)

Place: N4RJ's house in Loganville, Ga. Directions are enclosed.

WE GOOFED! You are receiving both the May and the June bulletin at the same time. Your officers sincerely regret the combination of circumstances that added up to us not getting the bulletin out in a timely manner. We realize that this publication is the only contact which some of you have with your club and we DO NOT take this responsibility lightly.

HOWEVER, since the next meeting will require telephone calling anyway, we felt that we should include this brief notice as an addendum to the one which you never received.

THE MAY MEETING PROGRAM was presented by Neil Foster, KC4MJ, who had just returned from Europe after having operated from 4U1TU and England. It was reported to me that Neil's pictures were interesting and enjoyable. I regret that my job required my presence and I was not able to see Neil's slides. Maybe another opportunity will present itself.

THE JUNE MEETING will be a social gathering at Hugh (Val) Valentine's house. The station of N4RJ should be enough to draw a crowd by itself! Fantastic! We will have a picnic and you are invited to bring your swim suit for a dip in Val's pool. If you have never attended one of these gatherings, then you have missed a lot! See you there! Please call Carol, WI4K, and tell her that you plan to attend, if you don't call Carol, then we WILL call YOU. The cost to cover the food and soft drinks will be \$2.50 per Adult, \$2.00 per Child, and alcoholic beverages will be available for a donation.

DIRECTIONS - Drive East on Stone Mt. Freeway/Hwy. 78, continue on 3.5 Miles beyond Snellville and turn right onto ROSEBUD (at traffic light). You should go 2.4 Miles and then turn left on OLD LOGANVILLE RD. Almost immediately (100 yds.) turn right on BEAVER, then continue down Beaver for 1 mile, on the left you will see a mailbox marked 4330 VAL. For more detailed directions call on 147.5 or Val's phone number 979-3400.

Bob Colley, KD4RR, has regretfully submitted his resignation from the position of Club Secretary. Bob's professional responsibilities have greatly reduced his leisure time. I hate to lose Bob as a club officer and I know the membership joins with me in thanking him for the contribution he has made.

Bill Scott, W4UVP, has been appointed to fill the unexpired term of club Secretary. Bill has been a tireless worker for the club and I know it will be a pleasure working with him.

The computer program used to print our book has no provision for telling us who does NOT need ANY countries. I missed one. Jerry Fiore, N4JF, HAS THEM ALL! Speaking of Jerry, N4JF, we have him to thank for the callbooks that were given away at the club meeting. Jerry won them at the Birminghamfest. He won ALL the CW copying prizes!

NO ARRL AWARDS, but starting June 22, at 0001 UTC, we may operate from 24.89 to 24.99 Mhz.
