Secretary's Column - de KI4XO

I has been a fun year. I enjoyed the news letter and all the people and things I have learned this year.

We would like to thank Mike Greenway for his program last month on lightning protection and the neat video tape on the P40T contest operation.

We hope that the bands and propagation picks up this summer and look for you all on the bands.

73 and good luck to you.....
de John, KI4XO
