July 2000

NEXT MEETING: No meeting in July,
next one in August.

SEDXC MINUTES 6/20/00

-Dale Nordin, K4HGG, Sec.

PRESIDENT'S CORNER

-Mike Greenway, K4PI

We are definitely in the summer doldrums now. Only thing I have been working is some DX on 6 M.

We voted last month to not have a July meeting as there are a lot of people on vacation that time of year. We will pick back up in August. If you have not renewed yet this is the time.

We have the same officers we had last year and I want to thank all the officers, K4HGG-Secretary, NK4U-Treasurer, and N4XMX-Publisher. We gave Dale, K4HGG a plaque since this is his first year as an officer. The rest of us had plenty. I also got a plaque for RadioShack.Com but we have not presented it to them yet.

The guys at field day did a great job. There should be some pix of their efforts on the clubs web page. If you would like to put a pix of your station on the club's web page, send me something. If possible get yourself in the pix. Send it in JPEG and try to scan it at 72 DPI if you are scanning. Take a look at the stations we have put on there so far at:
<http://sedxc.contesting.com>

We have had some really great programs so far this year and I hope to try and continue that. If you know of something that is available please let me know.

Ken

**NO JULY MEETING!
SEE YOU IN AUGUST!**

The meeting was called to order at 7:31 by Mike - K4PI with approx. 14 members present.

After introductions, Mike called for **Old Business**: Photos were passed around showing W8JI's antenna farm. The officers for the 1999-2000 DX Club year were honored for their service.

Tom Harrell - N4XP has withdrawn his name as a candidate for DXCC card checker. Since there will be only 2 DXCC card checkers in the state of Georgia, a new candidate must come forward soon, preferably from the ranks of the SEDX Club, to accept the post as an ARRL DXCC card checker. Only a candidate appointed by the ARRL and a candidate from a DX club can be accepted as a DXCC card checker. Since there is only one DX club in Georgia, there are only 2 DXCC card checkers in Georgia.

UPDATE: Bill Barr - N4NX has agreed to be the DXCC card checker from the SEDX Club.

New business: A plaque was ordered to be given to Radio Shack.Com for allowing us to use their meeting room. Mike also solicited from the membership pictures of their shacks to be posted on the website.

Jay - K4OGG said that he would host a field day station again this year at his cabin on Lake Lanier. Two stations would be in operation - 1 on CW and 1 on SSB

A reminder that the Ga. QSO Party will be held on July 22-23. The SEDX Club sponsors a plaque for this event.

As Phil - W4GTS was in the hospital for cancer surgery and is recuperating in an intermediate care facility, Nancy-NK4U will resume sending outgoing cards from club members.

The membership decided that THERE WOULD BE NO JULY MEETING, HOWEVER

(continued on p2)

(continued from p1)

there would be a newsletter published.

Comments were given on the Dayton Hamvention and a description was given on Yaesu's FT100 Mark V new "super rig".

The program was a videotape on the dxpedition to 3B7RF from 1998.

The meeting adjourned at 8:43 p.m.

TREASURER'S REPORT

-Nancy Draheim, NK4U, Tres.

There has been no change since last month. Please send in your renewals.

See you at the meeting.

73, Nancy NK4U

DX TIDBITS

-Rick Glisson, N4XMX, editor

In last month's column, I mentioned that I was going to put up a 80M vertical, vertically polarized. In my rush to get my article done, I had omitted the word "loop" from the description. Oh well, still don't have it up yet but got to be easier than the horizontal 80M I and some other brave souls help put up. I'll let everyone know how it compares. I intend to leave up the horizontal loop as a comparison.

The XYL is now a Tech Plus and has received N4MMG as her vanity callsign. A lot faster in the pileups than KG4EHB!

The cards are slowly coming in, XV300 being the most notable lately. A buro pack had a few band countries I needed too. Actually got a BY on CW through the buro that I hadn't even sent for (contest operation) that I needed. Always fun to get a buro pack, like a box of chocolates... :)

As soon as I find out more information on Phil Latta, W4GTS, I will post it on the reflector. I know we all wish him a speedy recovery and return to the radio!

CU in the pileups...

-Rick, N4XMX
