The regular July meeting is cancelled. Don't show up at the regular place at the regular time or you may be all alone! A ham-burger cook-out will be had by everyone with all the beer or Cokes you want.

This feast will take place at the American Legion Post #141 - the same spot we gathered last January for food, drinks and awards. Cost - you asked? \$4.00 for each person will get you this delicious meal plus a program and some nice door prizes.

In order to make planning easier, call KA4C Dwight (926-2030) or WB4GNT Allen (973-6251) to confirm your presence. Payments will be made at the chow line.

Word has it the Legion Hall is now AIR-CONDITIONED!

*** ATLANTA HAMFEST-1980 ***

The Atlanta Fest is always such fun,
The DXers gather, to bask in the sun.
This year was so great, the setting sublime,
And all of the greats were still in their prime.
The Ugly Lover was there, all aglow,
Dear Jim, you are ageless, that we all know.
And Ham, from Florida, also had flown,
Old "Zipper Ripper" will always make himself known.
The locals were there, to make things so nice,
Like the Hensons and Stew, to all to the spice.
And Bill, N4NX, how could I forget,
The good times you've shown me, since we first met.
The Colvins were present, and in such rare form,
Their show was fantastic, as is always the norm.
Atlanta, I'll see you, next year for sure,
You are a true haven for DXers pure.
Atlanta, the place where the south got her start,
Atlanta, you'll always be close to my heart!!!
