SOUTH'S
PREMIER
DX CLUB*

July 1993

NEXT MEETING TIME & LOCATION

Saturday July 17th, 8:00 PM, Old Hickory House in the Days Inn, Roswell Rd., just inside I-285 Annual awards dinner.

those 80 meter slopers and low frequency receiving antennas. I look forward to the fellowship and incurred with your officers. We will do our best for you this year. 73 and good DX! de John, KI4XO

PRESIDENT'S MESSAGE

-John Smith, KI4XO, President

Hello, welcome to a new year and another fine gathering of amateurs in pursuit of that one more elusive contact... We have many interesting and fun ideas from the membership this year for both programs and activities. The first of which is the SEDX Club banquet which will be held at our normal meeting place at the Days Inn just inside the I 285 loop in Sandy Springs. Please call Delaine McCarthy, KM4FV at 993-9758 with your reservation and preference for barbecue baby back ribs, pork, beef or chicken and the number attending the banquet with you. You may leave your request on her answering machine.

The banquet will start at 8 PM upstairs at the Hickory House. Please bring between \$10-15 per person as we will settle on the final amount once I have an idea of what the membership wants to eat. Please try to attend July 17, 1993. I will also take orders for your meal preferences by phone at 641-1576. PLEASE try to call either Delaine or me at least by the 15th of July so I can set the banquet numbers appropriately. If you commit your name to the banquet and do not show, the club comes up short. I personally will hold you to your pledge. This will be a fun program..

One of awards, recognition and honors from the SEDXC Hall of Fame to the W4NT award. Merry making and tom-foolery will abound... The success of the club depends on the membership "Be there or be square!!!" We have a club with a lot of enthusiasm and energy from the membership. It is the officers intentions to keep this momentum going upward and onward in spite of the downward trend in the solar activity and generally putrid band conditions. This means more attention to

FROM THE VP

-Delaine McCarthy, KM4FV

What a neat and challenging opportunity it is to be the Vice President of the SEDXC! Following in the footsteps of the officers before me will be a hard act to follow, but I am anxious and excited about giving it a try. Remember to join us at the Hickory House for the EXTRA special July meeting after the Hamfest on Saturday night.

Hopefully in August, Larry, N4TMW, will give us an exciting presentation of his trip to Thailand. Lots of other good programs are in the making for future months. Don't take a chance on missing something exciting. I hope to see all of you at the SEDXC booth at the Atlanta Hamfest, July 17th and 18th.

-73 Delaine
