Speakers should include: ON4UN; Low Band DXing and Low Band Antennas Expert, Lloyd and Iris Colvin; World-Wide DX Team, Chod Harris, VP2ML, DX editor and DXpeditioner, the program is not quite.

TREAT YOURSELF to a truly MAGNIFICENT weekend! And help your club while enjoying the fellowship of your fraternal brothers and sisters at the same time!

THE JULY MEETING featured a movie of the 1979 DXpedition to Abu Ail, OE6XG/A. There was footage of His Majesty, JY1 as well as the operators; DJ9ZB, OE6EEG, I2FGP, I2CBM and J28AZ. Thanks go to Mary Ann, WA3HUP. She has also provided this month's program too.

THE AUGUST PROGRAM will be a slide program, which Carol, WI4K, saw at the recent YLRL Convention and has reported that it is excellant. The slides were taken by Mary Ann, WA3HUP, and Ruth Anna, WB3CQN. It has narration on casset tape by Ruth Anna. There are slides of King Hussein, JY1, and many of the other JYs. This should be an excellant travelogue of Jordan as well as being of great interest to DXers.

CONTEST CORNER - The plaques for the ARRL DX Contest, the 20 Meter and the 80 Meter Contests will be awarded at the DXPO Banquet. The remainder of the Plaques will be awarded at the Club Banquet in January.

Don't lose interest because of Low Solar activity! The bands are open! The next monthly contest will be the CQWW. Keep working on the Year-Long Contests, RTTY and DXCC.

73 es Gud DX, David Hibbert, KC4TJ, (404) 939-3462.

AN UNWELCOME GUEST entered the Lutheran Church during the course of our meeting in July. He was described as "looking as if he were drunk." Please be on the look-out at all times, so that we can be sure that we don't inadvertently let a thief into the church. They have had some problems in the past, and we don't want to contribute to them!

Brought back by popular demand! Recognizing that the golf shirt is a little too expensive for CASUAL wear, your Club has ordered T-shirts. NOW you can display YOUR PRIDE in the Southeastern DX Club at all of those INFORMAL gatherings as well! Carol should have the T-shirts by the time you read this bulletin. The price is \$5.00. Send UR money to WI4K.

S92LB HAS BEEN ACTIVE in spite of the list-takers. Luis showed toward the end of July on 14.183 Mhz. Despite his indicating that he would prefer to work on his own, several S.A. list types over powered him and convinced him to operate from a list. It is reported that a record for intentional interference and bad manners might have been set. So much for International Friendship, Sportsmanship, and ethical operating. * * * *

OUR OWN K8CFU, Arch Doty, and W3ESU, John Frey, will be operating 160 Meters (only) from St. Pierre et Miguelon Islands from September 11th till September 14th. The calls will be FP/W3ESU (CW) and FP/K8CFU (SSB). They will transmit in the "window" 1.825-1.830 and will listen near 1.820 and near 1.835 as announced. Arch advises that he and John will be using maximum legal power and an extensive top loaded vertical/counterpoise antenna system. I suggest you read W3ESU's antenna article in the August CQ Magazine. It would appear that if you need FP8 then you need only make some small effort during the affected dates. QSL to the home calls, with SASE for PROMPT reply.

GUØ/PA2FAS will operate from October 23 - October 30 on all bands 10 thru 160 Meters. The operators will be PAØTUK, PA2FAS, PA3AWW, PA3CJF, PE1FNB. There are two interesting things about this "DXpedition." Crossband, WARC-band and Split on request. How or why would you request to Split? If you could request it, then it would appear that you did not need to Split. Unless Split means something different than I would have thought. The other item is that DONORS OF \$1 or 2 IRCs, WILL BE CALLED BEFORE OTHER HAMS WILL BE WORKED. QSL via: DAGOE, P.O. Box 356 Dordrecht, Holland or PA-buro.

VKØGC, MacQUARIE ISLAND has been active on 14.308 Mhz. from about 0500Z till around 0600Z.

VK9ZB, WILLIS ISLAND has been active on 7.188 Mhz. about 1100Z and 14.190 Mhz. at 0300Z.

Lots of S. Pacific DX coming in on 20 M from around 0300Z, i.e., KH3, KX6, YJ8, P29, FK8.
