CONTEST DIRECTOR: HUGH VALENTINE, N4RJ 979-3400

NOTICE!!!

SPECIAL MEETING DATE FOR SEPT. ONLY

THE MEETING THIS MONTH WILL BE HELD ON THURSDAY SEPT. 25TH.
SAME TIME -- SAME PLACE-- JUST A DIFFERENT DATE SO WE MAY
HAVE AS OUR GUESTS HANS, DK9KX, AND ANNE, DF3KX, HANNAPEL.

Everyone come early and have a good meal and meet and talk with our guests.
Our keeping this meeting place depends upon our having enough people show
up for meals. So come out and eat with us. The cost is very little to have
a meal out and support the club.

DK9KX

Info. by Mike Greenway, K4PI

This is a short article on DK9KX, Hans Hannapel, who will present our program in Sept. Hans and his wife Anne, DF3KX, will be visiting in the states for one month. Hans was licensed in 1973 and has been an avid DXpeditioner for the past 10 years. Hans and Anne live in Delbruke, a suburb of Cologne. Hans is in the TV and home entertainment repair business. Anne works for one of the banks in Cologne. Anne always accompanies Hans on his DX expeditions. Their best known trips were FR7 Glorioso 1980, PY0 St. Peter and Paul 1983, and S9 Sao Tome 1985. His slide show that we will see consists of these 3 locations. He has operated from Guernsey and Yugoslavia several times.

DK9KX

Treasurer's Report
by Carol Shrader, W14K

At the August meeting the club adopted the Revised Budget as published in the August Newsletter. The SEDXC ended the month of August with Assets as follows: Cash - \$27.92; Checking Account - \$3865.09. The Club has no Liabilities. A Profit & Loss Statement for the year to date will be available for your review at the September meeting.

Enclosed with your newsletter this month is a copy of your Treasurer's Membership record. These records have recently been converted to a new computer program which will allow us a great deal of flexibility in printing labels, reports, rosters, & summarizing information and statistics. It will allow us to print ARRL Reports, Nominating Committee Reports, and should provide a great deal of interesting information with respect to our percentage of Honor Roll Members, Life ARRL Members, etc. To be effective we must have a complete record for each of you. Please take a little time to complete any blank questions or change any incorrect ones and return the form to me. Please answer all questions. When you leave one blank we don't know whether this means NO or could possibly mean that you overlooked the question. Your company name is only required if your newsletter is being mailed to your office. Include your area code in the telephone section if you are outside the Metro Atlanta direct dial district. Enclosed with your newsletter is the first benefit of this new computer program - an updated SEDXC roster as of 8/26/86.

Please make an effort to come early on September 25th and eat with the group at the Squire Inn. This facility will be available to us at NO COST as long as long as their food sales remain at an acceptable level. The August meeting did not even come close to a break-even point for the restaurant. I have received quite a number of positive comments about this meeting location. Positive comments include the location which appears to be a more of a compromise between the in-town and suburban members. Other favorable comments mention the reasonable food and beverage costs and the availability of the lounge area for fellowship after the meeting. Now that the summer is over lets get back into the groove and support the club by assuring the availability of this meeting spot.

SEDXC VEC Exams

VEC Exams will be given on September 25th, the day of the September meeting by a SEDXC team under the auspices of CAVEC. We will be testing DK9KX, who will be attempting to obtain his first USA license. If you are interested in taking an exam at this sitting, please contact Carol Shrader, W14K, on 147.50 or 973-1450. The exact time of the testing will be determined at a later date but your input would be welcome. Since Hans will be taking a number of tests, we will have some flexibility in accommodating those who must come from work.

THE TRADER:

The following club members have these items for sale or trade. If you have something to list, send it to the editor to be included in the next issue.
