Vice president's Report:

October Program

Selling Raffle Tickets for HamJam2011 and being there!

November Program

"Making the Best of What You Have"

Presented by:

Fred Dennin WW4LL

Our November program features our very own Fred WW4LL who will discuss setting up a contest station. Contesting has direct application to chasing DX and everyone is sure to pick up a tip or two to improve their personal ham station and operating practice. You won't want to miss this program.

December we will party until we drop. Once again this year, our SEDXC Holiday Party will be at the home of Chaz & Gael Cone. There'll be an official eVite sent to all club members in mid-October; for now, just save the date: Saturday December 10, 2011 from 7:00p until 10:00p.

No regular meeting in December. More to follow.

And don't forget if you hear of, think of, or visit a great program let me know!

A special thanks to everyone that came out to our "Vibroplex Returns to Norcross Day".

Norm, WA4ZXV

Treasurers Report:

SEDXC Financial position as of September 30, 2011

The balance on hand in the operating account at the end of September was \$4,990.56.

Activity in the month: Receipts: \$310.00

Disbursements were as follows:

Alford Memorial Club (hamfest table)	\$ 75.00
---	----------

Bob Alphin K4UEE for HKØ DXpedition	1,000.00
--	----------

PayPal account to fund Nauru DXpedition	200.00
--	--------

It looks like the sun is finally throwing some stuff our way. I have been chasing new countries on 12 meters. My 20 countries a few weeks ago are now up to 70 confirmed on LOTW. I am going to need a co-signer to help finance the green stamps in the outgoing QSL cards. If you've been doing the same thing, hit me up for IRC's at the November meeting.

See you at HamJam!

Activities Manager's Report:

SEDXC attended this year's W4DXCC (SEDCO) Event with a table, banner, and video display. Membership forms were on the table and hopefully we will get new members via the form or from the web-site. Ham-Jam forms also were on the table.

Respectfully submitted...

Scene from Ten-Tec Hamfest.

There were a few interesting mobile antennas.

That night—Lobby of Main Stay Motel.

Friday night dinner at Calhoun's.

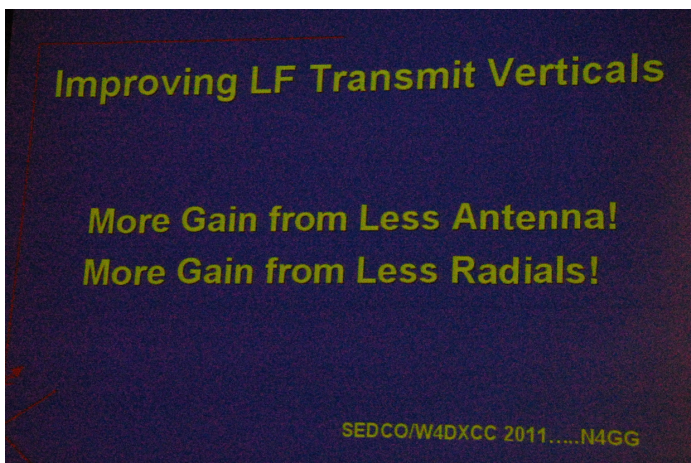

The next day the programs began. The SEDXC was well represented with those making presentations.

And he kept the audiences' attention

Wes, W3WL, gave a presentation on VP8ORK

Hal, N4GG, was one of the lead-off speakers.

Bob, K4UEE, kept people awake with his stories about PJ6A

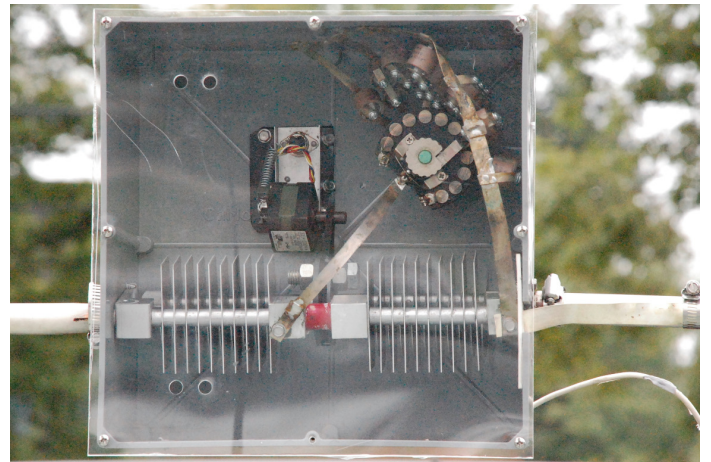

Saturday night at the dinner one of the lucky prize winners was Dan, W4EA, seen below.

Now a few random shots from the W4DXCC or SEDCO gathering.

Here is a young ham, who at the age of 9, has passed his Extra Class test. Sorry I didn't get his name or call.

Tuning unit for the mobile antenna.
