DE K4TEA:

A nominating committee was appointed by K4TEA. It consists of

K4GFH  
 WB4ZNH  
 N4NX (Chairman)  
 ( 3 immediate past  
presidents)

The candidates for next year's of-  
 ficers will be listed in the Novem-  
 ber bulletin. The election will be  
 held at the November meeting.

N4RJ is applying for the W200NT Call. We are planning on using the call at his station in major contests next year.

I recently received a note from TR8JLD. He did not receive the club mailing for the 3C0A..... The donations and cards should be assumed to be lost!!!!!! Individuals who still need it should try again on their own. THE CHECK HAS NOT BEEN CASHED!!!!!!.....

F6BEE was a surprise guest at the September 15th meeting. He is a well known contester and DX-er. He was on a business trip to Scientific Atlanta.....

DE K4PI:

KX4R, KN4B, W3BTX, and K4PI will be at St. Maarten (PJ7) on October 20-27. All bands 160-10 and no WARC. Mostly CW before and after the contest. Using /PJ7 before and after test. PJ0J during test. Please work us on as many bands as possible.

The airlines have been putting some heavy discounts on air fares. It's an excellent time to go to the Caribbean. We have a club member, W4MRJ, John, who is in the travel agency business. I'm sure John could give you a quote on any air fares.

I noticed an ad in QST personal section for use of a QTH with rig and antenna in the Caymans.

The CQ WW is close at hand. Time to dust off the mic and key, and help the club out with a few points for the SEDXC Contest Group (CQ WW SSB, Oct. 24 - 25).....
