DX-PEDITIONS BY SEDXC MEMBERS SLATED FOR CQ WORLDWIDE (PHONE)

PJ0J SEDXC members going on this expedition are: KN4B, KX4R, W3BTX, and K4PI. This group has operated before from PJ0 and should have all the kinks worked out in order to make a solid showing.

J6LAH First time for this group going to St. Lucia and will include: WB4ZNH, WA4CUG, KL7JAR and KC4I. The DX-pedition pro, WB4ZNH will be guiding the first-time troops through the drill.

P40R A world record setting try by W4UEE as a single op on 40-meters. Bob currently holds the world record on 75-meter phone (1987) and 80-meter CW (1986). Every Q counts so look for him. Bob is planning on operating the CW portion in November too!

Mike Merk, K4UPL, new SEDXC member will also be operating from P40 (call not known as of this date) all bands, single operator.

The club has heard from AI6V on a multi-single DX-pedition to P40V.

Jim, KBJRK will operate CQ World-Wide SSB from TUVALU (Oc. 15). He will use the callsign T2BRK from October 28 through November 1. He asks for suggested best time on 20 and 15 to Africa, Central Europe and the Caribbean via a note or card to him prior to the contest. His home call is QSL route good in any call book up to 15 years old. (801 South Oxford, Grosse Pointe Woods, Michigan 48236. 1989 SEDXC ROSTERS READY

Carl, WB4ZNH has the new roster ready for distribution. A special thanks again to Bill Strickland, WA4FVT (Athens, Ga.) for publication of the SEDXC roster. Bill has done "double duty" this year with the publication of two roster editions. This edition is right in time to begin the contest season. Use it!

Your copy will be available at the next club meeting, Tuesday, October 18.

(Editor's Note: I have received several "helping hand" calls from various club members who have heard countries on that I show in the roster as needing. Those phone calls are sincerely appreciated and I thank those club members who take the time to use the roster for "helping hand" alerts.)

DEAN "THE PACKETT GURU", W8ZF

Last club meeting's program was the Packett Man himself, in person, and all that good stuff. Thanks Dean for the excellent program. Most frequently heard comment on the program -- could you come back again.

ARRL BUILDING FUND

The club has approved a matching fund concept in support of the ARRL Building Fund. Ben, K4EZ brought the project to the club's attention and will answer any questions you might have about what is planned at ARRL Headquarters.

160-METER CONTEST RESULTS

FIRST PLACE: Yankee Clipper Club; 2.8-million points

SECOND PLACE: Frankfurt Radio Club; 2.7-million points

THIRD PLACE: Southeastern DX Club; 2.1-million points

An interesting comment on our placement this year was the fact that SEDXC did not field enough DX-Peditions during the contest. Comments on this are solicited at the club meeting.
