

Bulletin

November 2015

From the Pres

Wey K8EAB

This is a short note this month, folks.

Due to the Stone Mountain Hamfest, **the SEDXC will not have a meeting this month.** If you show up at the Rich Auditorium on November 19th, you will get to be whichever officer you want to be as well as the speaker!

Coming Events

There are three major events for us over the next four weeks. Stone Mountain Hamfest, HamJam, and our Holiday Party are coming up fast. Whether you can attend the party or not, please let us know ASAP for planning purposes! Details and sign-up are here:

Veep's Report

Vaden NN4K

Last Month's Meeting

A presentation by Glenn Petri, KE4KY on his 2014 DXpedition to Mellish Reef VK9MT was very well done. Glenn lives in Kentucky and is a dedicated DXer, both chasing and also being on DXpeditions teams. His latest activities were ZL9HR, Campbell Island 2012 and Mellish Reef VK9MT 2014.

The next time I am chasing a DXpedition, I am going to appreciate all that the team members do to make the QSOs possible. It was amazing that the wind blowing was such a challenge. We extend our thanks and appreciation to those who develop, plan and execute the DXpeditions so we can get those ATNOs or band fills while sitting in our comfortable ham shack waiting to hear the "599/59 TU." Glenn has offered to give us his presentation on ZL9HR Campbell Island in 2016.

This Month's Meeting

The November and December SEDXC Programs will be in the form of HamJam 2015 on November 14 (www.hamjam.info) and the annual Holiday Party on December 5 at Chas and Gael Cone's home ([Click here](#)).

We will return to the Rich Auditorium in January for our regular meetings and programs which will feature Mike Greenway, K4PI and associates. The program title is TBD. The topic will deal with working DX on 80/160 Meter bands. Look at Mike's QRZ.com webpage for updated photos of his antenna farm. This will be a 'live on stage' program and we hope to turn out a good attendance.

73,

Vaden NN4K ❖

From the President (cont.)

I hope to see many of you at these events.

The bands conditions haven't been very good, but there is still some good DX out there. I know many of us are getting ready for the January for the VP8 team to QRV.

73 & Good DX!

Activities Chairman

In November, there will be two major amateur radio events in the Atlanta area.

The Stone Mountain Hamfest will be held on November 7th and 8th. The SEDXC will be present there with a club booth on Saturday, the 7th. Please feel free to stop by and say hello, and also to help tend our table at the Stone Mountain Hamfest. Details for the hamfest can be found at www.stonemountainhamfest.com.

On the following Saturday, November 14th, is HamJam 2015 featuring a list of prominent speakers and lots of great prizes. Information for HamJam 2015 can be found at www.hamjam.info.

73,

John N4TOL❖

Treasurer's Journal

Checking Account Balance 11-02-15 = \$10,140
Donation Made to VP8 DXped = additional \$1000.
Liability Insurance Renewal Paid = \$200

Nifty E-Z Guide to Adventures in DXing

Developing Worldwide Friendships through Radio Communication

Working the World as a DXer
DX Operating Practices & Spotting Clusters
Working Pileups and Operating Split
Transceiver and Antenna Selection
Understanding and Using Propagation Predictions
QSLing, Logging and DXing Award Applications
Unique Challenges & Rewards of QRP Operation
DX Clubs and Other Support Organizations

Jeffrey A. Cantor, K1ZN

This is a new resource by one of our own, Jeff K1ZN. It looks great for someone just getting in DXing. I can't tell you how many websites I searched to find these topics when was learning how to DX and would have loved to have this. Perhaps you know of someone who would appreciate this as a gift.

The book can be ordered at http://www.niftyaccessories.com/DX_book.php. Operators are standing by!

(Editors Note: Jeff did NOT ask me to put a plug for his book in the Bulletin)
