*** DX NEWS ***

Rumors are very strong that KF10 will be back on San Felix and operate as KF10/CEØX by the time you get this notice.

Albania just may be really on the air this time. The EA group say they have everything worked out for early December.

K4YT should be in Zambia (9J) until Nov. 17 then to Tanzania (5H) for about 6 days and then in the Malagasy Republic from Nov.24 to 30.

*** QUOTATIONS ***

"In all endeavors there is 1% trying to disrupt what the other 99% are doing. They're normal- like sand traps, hills, bunkers and lakes on a golf course. Without them, the game might be dull."
(Don Wallace - W6AM)

"Take a close look at how you operate; your on the air conduct. Operate in a manner to reflect good things about you, which will ultimately reflect good things about all DX'ers and Hams in general."
(Ellen White - W1YL/4)

"Lists are the welfare rolls of Amateur Radio."

*** CONTEST ***

The November Club Contest is an OPEN contest for 20 meter CW. That is, work as many countries on 20 meter CW in any given 12 hour period as you can. Be sure you call John Battle - N4OE by Dec. 16 and give him your score. His fone number is 449-8536 and he has a recorder if he's not at home.

The December Contest is The ARRL 10 Meter Contest. As for the club contest, work as many countries on 10 meters during any 12 hour period of the contest as you can and call John with your score as soon as possible, because this is the last contest of the year and he has to compile the yearly winners. Good luck in the contest.

Hope to see you at the club meeting, Tuesday, November 17, 1981.

73 and Good DX,

Dave - WA4SSU
