DEAR PRESENT, PROSPECTIVE, AND FORMER SOUTHEASTERN DX CLUB MEMBERS:

Another year has passed and we the officers feel it was a good one. We would like to thank all who helped to make it a great year. Some of the highlights.....

1. A fantastic hospitality suite at Dayton where DX-ers and Contesters from all points of the globe gathered for a weekend.
2. The Atlanta Hamfest/ARRL National Convention.
3. DXPO Atlanta, 1987.

The club, through your help, was able to provide services to DX-ers and Contesters alike, as well as gathering places and entertainment throughout the year.

In 1986 we formed the SOUTHEASTERN DX CLUB/CONTEST GROUP. This was done to allow our outlying members the opportunity to contribute to our club aggregate scores under CQ and ARRL rules. This name did not go into effect until late 1987 as we had to have our first year of meetings to see who our qualifiers were. Our three meeting points were the Banquet, Atlanta Hamfest, and DXPO.

This new group has no effect on the status of our members who live within 50 miles of Atlanta. We're hoping for bigger things in 1988 from the group. We can count scores up to about 175 miles radius from North Atlanta. If you attended 50%, or 2 out of 3 of the gatherings we are seeking your support. Again we are actively seeking participants. If you like what we are doing, come and join us in 1988.

73, and GOOD DX!!

Mike, K4 PAPA INDIA

The program for the November is "THE BUILDING OF W3LPL." This is a very interesting video tape showing how super contest station W3LPL was built from the ground up. DON'T MISS IT CONTESTERS!!!!!!!!!!!!!!

DE K4TEA.....

As previously announced, mid-year review of the club's financial status was postponed in order to include DXPO receipts and expenditures. Presented in this bulletin is the November interim financial statement. Comparing this with our 1987 budget shows our actual dues are \$500 less than anticipated. The other component of the deficit is the \$1,000 discrepancy in DXPO income vs. expenses. However, I feel it was money well worth spending.

Speaking of DXPO, congrats to Carl and his committee for an excellent weekend!!!!!!!!

As is custom, there is no scheduled meeting for the holiday month of December. MARK THIS ON YOUR CALENDARS!!!!!!!!!!...

Our annual banquet will be on Saturday, January 23, 1988 at the DAY'S INN. More details will be in the next bulletin.

See the enclosed CQ announcement for the 1988 160 meter contest. Unofficially, the SEDXC placed third in the world last year, behind Frankford and Yankee Clipper. Over half of the YCCC score was by one station, NP4A with its QSO point advantage. Notice the SEDXC plaque sponsors.....and the announcement left out the Oceania sponsors: K4JAG and K4DLI/KB4SSS. What say we win it in 1988!!!!!!!!!!

THIS BULLETIN IS BEING SENT TO INACTIVE, FORMER CLUB MEMBERS, AS WELL AS DXPO ATTENDEES (plus regular members as well). I HOPE YOU WILL JOIN US IN 1988!!!!!!!!

The nominating committee of N4NX, WB4ZNH, and K4GFH presents the following candidates for the 1988 officer election to be held at the November meeting. Of course, nominations will be welcome from the floor:

President, Ken Byers, K4TEA	Treasurer, Neil Foster, KC4MJ
