PROGRAM NOTES FROM NEIL

Angelo Ditty, engineer in charge of the FCC and member(s) of his staff will attend our November meeting to discuss latest "doins" at the FCC. Please plan to attend. Also, I would like to get your in-put on meetings - what you would like, suggestions, etc. Give your officers the help we need. Thanks - see you at the November meeting.

Neil, KC4MJ
Vice President

PJ8T

Operators at PJ8T were KN4B, W3BTX, WX4G & K4PI. We had approximately 7500 QSO's in the contest. Things went fairly well except we had our rotator freeze up. Conditions to Japan were not as good as was hoped. 10 & 20 were our best bands. During the test the highlights for me was having JT and YK call me on 40. During non-test period had 9N1MM and A61AD call in. QSL's are being printed and will be on hand in about two weeks. Send your cards and SAE's to me.

Appreciate all the QSO's from SEDXC and now looking forward to CW weekend.

Mike, K4PI

REMEMBER CQ WORLD WIDE - NOVEMBER 25/26. SAME RULES APPLY.

ON THE SOAPBOX...

I marvel that the club has over 150 members on the rolls, but only 17 showed up at the October meeting. The friendship was excellent, forget the food, and the ICOM program top drawer. What are we missing?

I have asked Neil KC4MJ and others to give me some suggestions to improve attendance. I value your opinion, too! Please tell me or any of the officers what is missing that would get you coming back on a regular basis.

We are looking into moving back to Sandy Springs in a pure meeting room environment as our contract with Day's Inn, Windy Hill, expires after the November meeting. If you have any ideas on a meeting location or would like to stay with the Day's Inn please tell me by the November meeting.

Traditionally the SEDXC has not held a December meeting. A suggestions has been forwarded to have a social hour with no formal program. We will schedule this for early to mid-December if there is enough interest.

Please mark your CQ WW Phone log as SEDXC and report your score to Randy, K4ODL, our new Activities manager.

Don't forget the CQ WW CW the last of November. The CQ WW is our first club contest activity!!!

73, Dave K4JRB.
